WINE

The term "wine" generally refers to grape wine when used without any qualification. Even so, wine can be made from a variety of fruit crops, including blueberry, cherry, currant, elderberry, plum, and pomegranate.

The earliest evidence of wine is from the present-day Georgia (6000 BCE), Persia (5000 BCE), Italy, and Armenia (4000 BCE).

Based on statistics gathered by the International Organisation of Vine and Wine in 2022 the top five wine producing countries are Italy, France, Spain, the United States, and Australia.

IMPORTANT

Drinking Alcoholic Drinks, namely – beer, brandy/cognac, cider, cocktail, gin, rum, tequila, vodka, whisky/whiskey, wine and other alcoholic beverages may increase cancer risk, and, during pregnancy, can cause birth defects.

Rules for Consumption of Alcohol at Verve Bar + Grill

Hours of Alcohol Service: 11:30 AM to 11:30 PM

Commitment to Safety – We are committed to creating a safe dining and working environment for our guests and staff at the Verve Bar + Grill. We reserve the right to refuse service to anyone visibly intoxicated.

The legal drinking age in Singapore is 18 years old: This means that only people who are 18 or older can purchase or consume alcohol in Singapore. It is illegal for anyone under 18 to buy or try to buy alcohol at licensed premises. Offenders may be fined up to \$10,000.

Here are some precautions to take when drinking alcohol:

Set limits: Set a limit for how much you'll drink. For men, the limit is usually two drinks per day, and for women, it's usually one drink per day.

Eat and drink responsibly: Eat before and while drinking, and alternate alcoholic and non-alcoholic drinks.

Avoid certain situations: Don't drink while sick, taking medication, or planning to drive. Also, don't drink to cope with stress.

Be aware of others: Don't pressure others to drink and keep an eye on your friends if you're out together.

Know the risks: Binge drinking can lead to serious health problems, including brain damage, stroke, and cancer.

Be aware of physical signs: Some signs that you've been drinking too much include dehydration, skin changes, and heartburn.

This is for informational purposes only. For medical advice or diagnosis, kindly consult a professional.

CAUTION: If you are allergic to alcohol or any ingredients used in alcoholic cocktails kindly do NOT drink.
